

# Specification for Thymolphthalein Monophosphate Sodium Salt (T1545)

|                   |                                           |
|-------------------|-------------------------------------------|
| Item Number       | T1545                                     |
| Item              | Thymolphthalein Monophosphate Sodium Salt |
| CAS Number        | 28749-63-5                                |
| Molecular Formula | $C_{28}H_{29}O_7PNa_2$                    |
| Molecular Weight  | 554.49                                    |
| MDL Number        |                                           |
| Synonyms          | TMP                                       |

| Test       | Specification |     |
|------------|---------------|-----|
|            | Min           | Max |
| APPEARANCE |               |     |
